## PROFESSIONAL EXPERIENCE

---

**Frontend Developer** | Mayerfeld Consulting, Berlin, Germany *Jul 2025 – Aug 2025*

- Completed a professional training program in modern frontend development covering HTML, CSS, JavaScript, and responsive design.
- Built interactive user interfaces applying clean code best practices for real-world web development projects.

**Software Engineer Intern** | ATC Excellent Group, Kuala Lumpur, Malaysia *Aug 2023 – Oct 2023*

- Contributed to the full software development lifecycle including writing clean code, debugging, and delivering new features.
- Worked on UI design to enhance user experience while collaborating with product managers and designers.

**Admin & Data Entry Specialist** | Mraisheid Medical Centre, Ministry of Health, Fujairah, UAE *Jul 2019 – May 2021*

- Managed patient records using the WRED system, ensuring accuracy and compliance with healthcare data regulations.
- Collaborated with healthcare professionals to document diagnoses, treatments, and patient outcomes.

## EDUCATION

---

**Bachelor of Science (Hons) in Software Engineering with Multimedia** | Limkokwing University of Creative Technology, Malaysia

CGPA: 3.71 / 4.00 | Graduated: August 2024

## PROJECTS

---

**E-Commerce Mobile App** | *Flutter, Dart* | github.com/khaledalqedra/flutter\_ecommerce\_app

- Built a cross-platform e-commerce app for Android and iOS with product listings, shopping cart, and checkout flow.

**Food Delivery App** | *Flutter, Dart* | github.com/khaledalqedra/Food\_Delivery1

- Developed a responsive and adaptive cross-platform food delivery app with clean UI for seamless navigation on Android and iOS.

**Quiz App** | *Flutter, Dart* | github.com/khaledalqedra/Testapp

- Created an Android quiz app featuring an interactive UI, smooth animations, randomized questions, and a scoring system.
